Report of Principal and School Improvement Council

Bethune-Bowman Elementary is a school where parents, community members, and all stakeholders are always welcomed with a smile. Bethune-Bowman Elementary's mission is to ensure academic success for all students and it's echoed throughout the school. Bethune-Bowman Elementary is located in Rowesville, South Carolina and serves approximately 337 Pre-K through fifth grade students.

Our 2013 ESEA Federal report card was a A (96) and our state report card grade was Average for our absolute rating and excellent for improvement. The 2013-2014 school year has been productive for the faculty, staff, and students because teaching and learning is the main focus for this school. This commitment to personal accountability and maximum effort has united our team of students, faculty, staff, parents, community, and all stakeholders. More emphasis has been placed on using data to drive the instruction of our students. For the current year, all teachers taught the standards and constantly checked for understanding. The school has put in place instructional non-negotiables that ensured student mastery. We have monthly content nights to inform parents of academic happenings and other pertinent information. To assist students and fill academic gaps, intervention is implemented daily in English Language Arts and Math classes. Bethune-Bowman Elementary offered afterschool tutoring three times a week and a Saturday Academy twice a month in an effort to provide academic assistance to students.

Bethune-Bowman Elementary School is recognized as a platinum award winning school in partnership with Save the Children Program. The focus of this program is to promote reading, literacy, and tutoring among kindergarten through fifth grade students with the use of a volunteer grandparent program. The Early Steps to School Success is a pre-literacy and language program that works with families of children the ages of 0-3. We also have maintained our partnership with the Twenty-First Century Afterschool Program which incorporated STEM lessons (Science, Technology, Engineering, and Mathematics) for students. In addition, we have a very active PTA that supports all school initiatives.

The Bethune-Bowman Elementary School Family is dedicated to educating the whole child and seeks the continued support, encouragement, and commitment of all stakeholders as we strive for academic excellence.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
